WELCOME TO TOR VERGATA UNIVERSITY

Studying in Rome will add an amazing cultural perspective to the quality of your studies.

You will live in a city where you can perceive the passing of time by merely strolling across its central streets: ancient, Middle-Age, Renaissance, Baroque, Neoclassicism and Modern Rome are ready to be discovered. It is a centre for inter-religious debate and a place where the founding Treaty for the European Union was signed.

In Rome you will be able to enjoy all this, surrounded by a gentle climate, arts and music, fashion and food.

The Campus of Tor Vergata University is about 40 minutes tube ride from the historical city centre of the "Eternal City" Rome and 20 minutes far from the peaceful Castelli Romani area, notorious for its vineyards and hillside landscape.

Tor Vergata's six Schools (Economics, Engineering, Humanities and Philosophy, Law, Medicine and Surgery, and Mathematical, Physical and Natural Sciences) are located in a vast 600-hectare campus.

Each School is provided with its own library, teaching and research facilities, reading rooms, laboratories, canteens and green areas where students can experience a real campus life.

The School of Medicine and Surgery is part of the important University Hospital compound, the Policlinico Tor Vergata (PTV), where students can benefit from health care and physical emergency assistance.

Rome embraces Tor Vergata: let Tor Vergata embrace you!

HEALTH INSURANCE

Having a valid health insurance in Italy is essential to request a residency permit. If you have already stipulated an insurance policy in your country of origin and it was validated by the Italian representation before you left, you can use it for the first issue of your residency permit. Otherwise, after arriving in Italy you will have two opportunities: either registering with the **National Health Service (SSN)** or stipulating a private policy.

1. National Health Service

The registration with the **National Health Service (SSN)** will provide you with complete health assistance. You will be assigned to (or you can choose) a general practitioner (also called "family doctor").

Registration is valid for one calendar year (from January to December).

How to register at the post office:

Fill in the slip and pay € 149.77 (postal current account no. 370007) in the name of **"Tesoreria Provinciale dello Stato, Regione Lazio"** and write the following description in the dedicated space:
"iscrizione volontaria al SSN year...." (which means 'voluntary registration with the SSN' for the year in question)

Go to the closest **ASL** office (Local Health Authority). The closest one to Tor Vergata University is situated in **Via di Torrenova, 138** (other addresses can be consulted at www.salute.gov.it/). You have to bring with you the payment receipt.

2. Private Health Insurance

As an alternative to the National Health Service (SSN) you might consider subscribing a private health insurance policy with any private insurance agency that provides the cover of emergency healthcare treatments in public hospitals. The majority of them are valid for 6-12 months from the payment. To take out the policy and obtain information on how to sign the health insurance contract, you have to contact the chosen institution asking for the procedure.
