CALL FOR APPLICATIONS A.Y. 2026/2027 ENGINEERING SCIENCES

The application journey for the B.Sc in Engineering Sciences for Academic Year 2026/2027 is designed to make the application procedure as easy as possible and to meet all our candidates' needs.

For this reason, there are three application procedures with different steps and deadlines to ensure that all candidates worldwide have enough time to comply with all legal requirements to study in Italy.

All applications must be submitted exclusively via our online platform Delphi following the indications given. Applications sent via email will be ignored and deleted.

All candidates are strongly advised to complete and submit their applications personally and to keep their credentials safe. All communication will be carried out from our platform Delphi and via the email address indicated in Delphi. All candidates are responsible for checking both their Delphi account and inboxes on a daily basis.

ENTRY REQUIREMENTS:

All candidates worldwide wishing to study in an Italian University must meet the legal requirements established by the Italian Government. Please refer to the following link for further information: <https://web.uniroma2.it/en/percorso/admissions>

IMPORTANT: at the end of **Procedure C**, candidates holding the final Letter must contact immediately the Italian Diplomatic Authorities in their home countries to start the VISA application process promptly.

VISA application deadlines vary across countries. Candidates are fully responsible to check these deadlines in advance to avoid any future disappointments.

Candidates are reminded that the Italian Embassy is the only legal authority who has the power to decide upon VISA releases and that the University of Rome Tor Vergata cannot interfere with that decision under any circumstances. Candidates are kindly asked not to email the University with regards to this matter.

CONTACTS:

If you have any questions or issues regarding the application procedure, please contact applications-es@ing.uniroma2.it including the following information:

1. Relevant and concise subject line
2. In the body of your email include the following details:
 - a. Your full name (name + family name)
 - b. Place of birth
 - c. Fiscal code (if you have already submitted your application)

3. State your issue or query clearly
4. Emails should be written in full English without using emojis or inappropriate abbreviations.
5. Language must be polite and respectful

Due to the extreme high number of applications received, emails written without following these indications thoroughly will be ignored and deleted. So candidates are advised to read the Call of Applications carefully. We appreciate your cooperation.
