**IMPORTANT:** at the end of **Procedure C**, candidates holding the final Admission Letter must contact immediately the Italian Diplomatic Authorities in their home countries to start the VISA application process promptly.

VISA application deadlines vary across countries. Candidates are fully responsible to check these deadlines in advance to avoid any future disappointments.

Candidates are reminded that the Italian Embassy is the only legal authority who has the power to decide upon VISA releases and that the University of Rome Tor Vergata cannot interfere with that decision under any circumstances. Candidates are kindly asked not to email the University with regards to this matter.
